Read Isaiah 43:16-19

1. In the past year, what 'new' things have you seen God do in your life and in the life of the church?
2. Are there any areas in your life where you are focusing on the past when you need to step into the future?
3. What little new beginnings and opportunities do you need to seize in 2021?
4. What spiritual practices would help you this year (for example: Bible reading, fasting, set daily prayer times, listening to God)?

Read Joshua 17

1. When the people complained about not having enough land, what was Joshua's response?
2. What areas of your life do you need to 'clear' to make the most of what God has given you?
3. What area of your life are you praying for God to bring His greatest transformation in this year?
