Readjust to a Hybrid Model (mixture of online and in person)

Read ACTS 2:14-29 then read ACTS 17:22-28.

Peter and Paul changed their language and methods depending on their audience. But it was the same message.

Prioritize Youth and Children

We want to see our young people and children being disciples of Jesus, transforming the world around us.

Raise and Equip Spiritual Mothers and Fathers (Disciplers)

We need to be committed to growing our faith and walk with God. But we also need to be committed to helping others grow in their faith.
